# READ AT HOME BINGO

Choose one box to do each day and color it in. 5 in a row is a BINGO! Can you fill the whole board up for a mega BINGO?! 

<table>
<thead>
<tr>
<th>Read in your PJ's</th>
<th>Read a stuffed animal</th>
<th>Have someone read a book to you</th>
<th>Read while curled up with a blanket</th>
<th>Read a book outside (or by a window if you can’t go outside)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Read a fiction book</td>
<td>Read a favorite book again</td>
<td>Read a funny book</td>
<td>Start a new book</td>
<td>Read a book you love and tell someone why you love it</td>
</tr>
<tr>
<td>Read a book to your family</td>
<td>Read with a flashlight</td>
<td>Your choice:</td>
<td>Read a nonfiction book</td>
<td>Read while enjoying a snack</td>
</tr>
<tr>
<td>Read for 20 minutes</td>
<td>Start a chapter book</td>
<td>Read a book about animals</td>
<td>Read a book with a favorite character in it</td>
<td>Make a fort and read in it</td>
</tr>
<tr>
<td>Read 3 picture books</td>
<td>Read a recipe (if you can try to make it with your family!)</td>
<td>Read a magazine or comic book</td>
<td>Read a book in the morning and a book in the afternoon</td>
<td>Read a book with awesome pictures</td>
</tr>
<tr>
<td>Build a tower as high as you can out of blocks or plastic cups. Write down the number of pieces you used. Circle if the number is even or odd.</td>
<td>Play I Spy Shapes with your family. Describe what you see in a room and have others guess it. Example: I spy something that has 4 sides and 4 corners. (the tv is a rectangle)</td>
<td>How many girls are in your house? How many boys are in your house? (Parents and pets count!) Draw a picture and write an addition sentence.</td>
<td>Search your house. How many squares can you find? (example: a napkin)</td>
<td>Skip count by 5 while doing jumping jacks.</td>
</tr>
<tr>
<td>---</td>
<td>---</td>
<td>---</td>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td>Use your toys to make a pattern on the floor. (example car, car, truck, car, car, truck) Ask someone in your house to put the next two toys in the pattern. Play 2-3 times.</td>
<td>Take a basket of toys and sort them by shapes. Then try to sort them by colors and sizes.</td>
<td>Play I Spy in your house. How many circles can you find? (example: a round clock)</td>
<td>How fast can you say and write your numbers 1-100? Make an estimation and have an adult time you for each.</td>
<td>Count the containers and lids in your kitchen. Are the numbers greater than, less than, or equal to? Write it:</td>
</tr>
<tr>
<td>Find 10 dimes in your house. Count the money and practice skip counting by 10.</td>
<td>Help your family make sandwiches for lunch or dinner. Cut each sandwich into fourths (Four equal pieces.)</td>
<td>Your choice:</td>
<td>How many books are in your house? Make an estimation, then count to see!</td>
<td>Play 5 Minute Pick Up: Set the timer and put as many things in a basket or spot on the floor. When the timer goes off, count them and then put them all away.</td>
</tr>
<tr>
<td>Find a toy car or another small toy. Use it to measure a chair, table, and an item of your choice in your house. How long was each?</td>
<td>Play I Spy in your house. How many triangles can you find? (example: the play button on a remote)</td>
<td>How many shoes are in your closet? Skip count by 2s.</td>
<td>Draw a robot using only circles, squares, rectangles, and triangles. When you are finished, write how many you used of each shape.</td>
<td>Pick a number between 11 and 89. What is less, I more, 10 less, and 10 more than your number?</td>
</tr>
<tr>
<td>Play I Spy in your house. How many rectangles can you find? (example: a window)</td>
<td>Have a distance jumping contest with your family by having a starting point and then using an object or toy to mark how far each person jumped. Who jumped the farthest?</td>
<td>Choose someone in your house that is older than you. Take their age and subtract how old you are. What is the difference?</td>
<td>What is something you have 100 of in your house? Find it and count it by putting it into 10 piles with 10 in each pile.</td>
<td>Find 6 items in your bedroom. How many more do you need to gather to make 10? Write an addition sentence.</td>
</tr>

Read the poem with a partner. Circle the rhyming words. Write the rhyming word pairs on the lines below the poem.

Little Miss Muffet

Little Miss Muffet
Sat on a tuffet,
Eating her curds and whey;
Along came a spider,
Who sat down beside her
And frightened Miss Muffet away.

The rhyming word pairs I found were:
